

MISSION STATEMENT

† The Mission of Gloria de Cristo Lutheran Church is to proclaim and reflect God's love as revealed through Jesus Christ.

† As a community of the concerned, guided by the Holy Spirit, we will strengthen one another through Word and Sacrament, witness, learning and service.

† We will share our gifts and talents to reach out and provide hope to all people.

TO ALL GOD'S PEOPLE! NARRATIVES

Narratives are story lines that we use to understand and explain life and the world around us.

**Our narrative may say that people are basically good OR our narrative may say that people are basically bad. Our narrative may say that people from this part of society can be totally trusted OR that people from another part of society are never to be trusted.
Our narrative will shape our opinions and our actions.**

**Narratives can be used to unite people OR narratives can be used to divide people...and that can be done at the same time.
HUH?**

**That happens when one narrative is seen as 100% good and another narrative is seen as 100% bad.
We have seen this happen for many years now.
Even the news media has been styled to align with a particular narrative.**

**For many years now, it is very apparent that there is no pure journalism. It appears that it has morphed into the spinning of narratives.
Sensationalized narratives.**

For instance, when we take our pick of the news outlets, we will find one that affirms the narrative we believe and demonizes another narrative.

Basically, news reporting has disappeared and narrative spinning has taken its place.

I have been asked many times by members, "How do you know what is happening in our world and what is true?"

I recommend that they really learn to be "channel flippers". Begin with the news channel that they like and write the topics being covered and how they are being covered. Equal or not equal?

Also note what they are not covering, and ask yourself "Why are they not covering this?"

Why the division in the USA? Perhaps we are more dedicated to affirming the narrative that we personally prefer, than to find out why our neighbor is thinking the way that they do.

WE CAN FIND A BETTER WAY FORWARD!!! BUT HOW???

As we enter the year of our Lord, 2021, we are called to listen above all things to GOD'S NARRATIVE, that brokenness/sinfulness affects every person in our world. We are to remember every day that Almighty God loves every person enough to send his only Son, Jesus, to die on a cross and rise from the dead, for our salvation.

We are to see that GOD'S OVER-ARCHING NARRATIVE IS ABOVE EVERY OTHER NARRATIVE, that we can trust God's Word FAR above anything else, and because of that, we can trust our brothers and sisters of faith beyond the narratives spun by the news media!

We can talk about difficult issues, because we are part of the family of God! We can be united in God's mission!

See you in worship!

A NEW SESSION OF OUR GRIEF SHARE SUPPORT GROUP WILL BEGIN MONDAY, JANUARY 4TH 2021 AT 10:00 AM IN THE FELLOWSHIP HALL CLASSROOM.

FROM THE PRESIDENT'S DESK

January 2021, a date we have been anxious to see come. Most of us have celebrated the end of 2020 like no other year in recent history. Before we completely bury 2020 it is important to remember that many great things happened last year. Babies born, grandchildren became a reminder of the blessings that are to come. We shared in the excitement of weddings, anniversaries and graduations. New careers have been started, changed and even ended with retirement. We welcomed new members to our faith family. Our life together at Gloria de Cristo continues to be a blessing not only to ourselves but to the Yuma community and now we share our services on Sunday through the new world of technology. We have bible studies, meetings and support care available to you, it is important that you know you are not alone. We now have no borders. We are here to love you and support you. Good things did happen last year and it is important for us to celebrate all the blessings of 2020. On behalf of your church council I send you prayers for a year of joy, peace and love.

COUNCIL HIGHLIGHTS

WE ARE CHURCH TOGETHER

Annual meeting information

Mark your calendar and plan to attend. A box lunch is planned and we meet in Fellowship Hall at 12 noon on Sunday, January 24. In addition to the election of Council members, approving a budget and financial plan for 2021, the council recommends approval of the updated Constitution and ByLaws. These are on the website for your review. Let the office know if you need a hard copy.

Box Tops for Education

I spoke with a staff member of Yuma Lutheran School and was told that because of the new method of collecting the box tops, they have discontinued their program. You have probably noticed that the Box Tops are no longer on most products. They are using an online app to take a picture and then you have to take a picture of the sales receipt and then email them for credit. Yuma Lutheran decided this was too complicated for most people, so will no longer be accepting the tops.

Thank you for saving these over the years. We were able to collect several hundred dollars for them to use to purchase books and games for their library.

EDUCATION

As the new chairwoman of the Education Committee, I'm diving right in because one of the big events is in January 2021.

Adult Vacation Bible School is happening again January 12-15. If you are interested in helping with this please contact me.

Committee meetings will be the third Monday of the month at 1pm. If this time is not convenient, but you want to serve, please call Diane Lee. There are several projects and responsibilities throughout the year and we need to put together a team for 2021 and beyond. **Please consider using your talents on this committee.**

GLORIOUS QUILTERS

2020 has been a very challenging year for everyone. The quilting and sewing groups that worked through the year did a great job. (see our report in the Annual Report booklet) We're ready to start the new year with the same enthusiasm as we've always had. We are able to spread out for social distancing and if you're more comfortable wearing face coverings, please do so.

For those of you that are new to our activities, please know that all supplies are furnished and you don't even have to know how to sew to join us. We'll find a job for you. Please join us on Monday mornings at 9 a.m. We do break at 10 a.m. for a snack.

We do have a special plea, with everyone experiencing budget cuts, we are going to have to depend on donations for next year. For those of you that have Thrivent insurance, there are Choice Dollars that can be donated to a charity. If you do not have these funds earmarked for something special, we would appreciate you donating these funds to Gloria de Cristo. Just tell Kate how much you want given to Glorious Quilters. (The funds come in one lump sum, so she will need to know the amount you are donating).

FELLOWSHIP

I am happy to report that our Fellowship attendance after church has been gradually increasing and everyone who comes seems to enjoy the camaraderie. We all enjoy time spent with our Church Family.

We had a very enjoyable Thanksgiving dinner. We had 31 attendees and everyone was able to socially distance, and face masks and gloves made it possible to go through the food line. We had two turkeys and a wonderful assortment of side dishes and desserts.

I am beginning to be a little more comfortable with being Fellowship Chairman. I was a little apprehensive about doing this, but Pastor and Lynette have helped me settle in. I do wish to thank all of you who have responded to our call for goodies for the freezer. It makes it really tasty to have different items available.

Our Christmas Bazaar and Cookie Sale on December 5 was a huge success. Mary Jane Finlay and Carol Henshaw were co-chairs for this event, and were very happy to see how much was accomplished this past summer making items to sell. Joanne Ausing and her crew did a fabulous job with the cookie sale. We had a good attendance, and everyone was so happy to have a place to go and shop for the morning.

December is turning out to be a busy month for all of us, and, as of right now, we will be having our Christmas Day dinner. Any further developments will be conveyed via the weekly bulletin. See you all in Fellowship!!

Mental Health Ministry

Over the past several months in the ***Evangel*** Newsletters, we have reported on many different types of mental illness such as depression, suicide, anxiety, stress, bipolar disorder, PTSD, eating disorders, phobias, etc. We hope the articles have given you information and an awareness of societal feelings regarding them. The Covid Pandemic has brought mental illness to the forefront of the world and hopefully we have given you some coping mechanisms to alleviate some of the stress.

The Mental Health Ministry Team has met to discuss scheduling ***Mental Health First Aid*** and ***Mental Health Companionship*** workshops. The trainers will offer in person or via Zoom workshops starting in late January and continuing throughout the year. We have partnered with ***Pathways to Promise***, a faith based Mental Health group, who have trained us and supplied us with materials for these trainings. More information on workshop dates will be in future bulletins and ***Evangel*** Newsletters. If you have any questions, please contact the office.

LADIES INSPIRATIONAL LUNCHEON

Many of you have realized we have changed our luncheon from March in the past years to January this coming year.

Our luncheon will be January 16, 2021 from 11:30 am to 2:00 pm. We have a dynamic speaker lined up, Cyndy Warnier. She has created and led a variety of retreats over the years. She led our Adult Vacation Bible School last January and will lead it again this year!

We are so happy she will be our speaker this year! A limited number of tickets will be available due to Covid restrictions. They will go on sale starting January 2nd, the cost is \$12.00.

We can always use some help.

If you are able to help please call Linda Kasin at

Margie was born in Hemet, CA and lived my early years in Lakeview, CA. I was baptized at a local church I attended. Jim and I were married in 1970 and for the next 50 years I have followed him wherever his Company took him. We had 3 kids and were able to take them to Venezuela for 2 years. The kids are all now married with 2 kids each of their own. Mark lives in Pennsylvania, Heidi in North Carolina, and Sheri lives in Roseville, CA. We bought and managed a mobile home park plus an RV park in Oregon. In 2014 we decided it was time to retire. So we sold them and retired here in Yuma, AZ. We built a new home in the foothills and keep busy enjoying our home. Jim gave me a nice sewing room that I keep busy working on several projects.

Roger was born in Cortland, NY December 8, 1945. He was raised in that general area, without a church background. He was drafted shortly after graduation, serving 2 years in the Army at Fort Riley, Kansas. He then went to work for the ATSF Railroad and took an early retirement after 25 years. During this time he was saved in the Nazarene Church in 1978, baptized in 1980. Roger and Jackie have a blended family of 4 daughters and 2 sons. Roger has lived in Yuma for the last 8 years. He and Jackie used to work camp summers at Adventureland Park in Altoona, Iowa. They became full time residents of Yuma a year ago.

Jackie Tracey

Jackie was born in Emporia, Kansas in 1951. She was the youngest of 10 in a blended family. Jackie's best grade school friend, Mary got her involved in the Grace Methodist VBS at 10 years old. By 12 Jackie had been baptized and confirmed in the First United Methodist Church in Emporia, Kansas. Several years later she taught 3rd grade Sunday school and helped with Summer VBS. She worked as the church administrator for several years before going to nursing school. She graduated Newman Memorial school of Nursing in 1991. While a single nursing student her path was crossed with Roger's again. Her first husband was a railroader and the kids all went to the same school. Roger and Jackie have been married 30 years. Jackie retired from travel nursing 5 years ago. Jackie is a quilter and learnt how to paint with acrylics. Yuma was her favorite place to travel to work. They settled down permanently a year ago.

Diane was born and raised in Southern New Jersey. I joined the US Army right out of High School to train as a Medical Technologist. While in the Army, I met and married my first husband, Art. We had two children, Jenny (resides in Yuma) and Steven (resides in Virginia). Upon separating from the Army, we settled in Phoenix to be close to family and this was the beginning of my love of desert life! Heat and all. Divorced after 18 years, I once again found love with Bob Lee. We were married for 17 years, spending most of them in Wyoming. After his untimely death, Steven convinced me to move back to Arizona and Yuma where he was stationed at MCAS. His reasoning was "don't you want to live near your 4 grandchildren?" This is when I met Jerry Taylor (from Oregon) who introduced me to the family at Gloria de Cristo. And as they say....the rest is history.

Sandra Arceneaux

I was born in Battle Creek, Michigan on February 11th, 1951. I'm the second oldest of six and the only girl. As my dad was in the army, we got to travel quite a bit, including 3 years in Karlsruhe, Germany on the border of France. He retired in 1962, and we wound up in Sacramento, California. I graduated from high school and went on to earn a bachelor's degree from California State University Sacramento. I later returned to school to get my master's degree. I also have a paralegal certificate and a semester of law school.

I have been married and divorced twice, and have a grown son who lives with me.

I lived in Decatur, Georgia from 1992-1997. In October 2012 I moved from Sacramento to Yuma, AZ at my brother's suggestion.

My previous employment includes being a court clerk for the superior court of sacramento. I have also worked for the sacramento police department.

I am a 3 time cancer survivor, and am dealing with a number of health issues.

I have been attending Gloria de Cristo off and on since March of this year and appreciate the warm welcome I have received.

Moved to Yuma in 2002 for health reasons. My age is catching up with me but I try to keep busy. Prior to the virus, I was volunteering 2 days a week in the Military Comfort Center at the Yuma airport. 2003-2019 I volunteered as an AARP Foundation Tax-Aide doing state and federal taxes. My greatest thing in life is getting together with friends and family.

SUMMER MONDAY SEWING GROUP

SUMMER SEWING GROUP CELEBRATES CHRISTMAS

Christmas is the time of giving and that is just what the Summer Sewing Group did last month. Remember all the Christmas socks, Christmas cloth books and Christmas face masks that the group worked on when it was 110 plus last summer?

Well, we filled the socks with goodies and delivered them to the following:

Crossroads Missions – 30 Christmas socks filled with kids socks, coloring books, crayons learning books and cards, along with the 20 soft cloth books we made, Thrivent T-shirts, pillowcases, hygiene products, 13 baby bibs made by quilters and 15 quilts.

Amberly's Place –30 Christmas socks, Thrivent children's T-shirts, socks, coloring books, crayons, first word cards, learning books, 20 soft cloth books, 20 children's Christmas face masks made by the quilters.

Yuma Medical Center –40 Christmas socks and 55 Christmas face masks.

Rock Tour Bus – for the homeless – 44 Christmas socks and 10 Christmas quilts.

Once again, I want to thank all the gals who gave their time last summer, making Christmas 2020 more joyous for those who have less. Also, a special thank you to Pat Bunker for helping me organize and box everything up!

STEWARDSHIP

Getting out of her car, a woman placed coins in the parking meter as a homeless man approached her. "Excuse me, ma'am, but can you spare some change?" Holding several coins in her hand, she could hardly say she didn't have any change. Rather than reluctantly give him the coins remaining in her hand, she reached into her purse and gave the man all the coins she had— several dollars' worth.

Walking into the doctor's office for her appointment, she sat in the waiting room where a kid sat anxiously. An older man noticed that the boy seemed very nervous, so he asked, "Are you a little worried about seeing the doctor today?" "I have to get a shot today," the boy responded, "and I'm afraid of needles." The man smiled and leaned in as if to tell the boy a big secret. "I don't like getting shots either. So what I do is 'look away from the doctor and start humming. Most of the time I don't even feel it when he gives me the shot."

His name being called for his appointment, the man smiled encouragingly at the boy as he stood up. As he passed the front desk, flowers were being delivered to a new doctor on the staff, who was clearly surprised that her first day in the new office was being remembered. Her parents knew that she was excited to begin a new, more hands-on medical practice. Their note read: "While your fingers take pulses and eyes view the charts, may your nose smell the flowers while your brains share your smarts." She beamed as she took the bouquet to put it in fresh water.

Meanwhile, the receptionist was helping a new patient get oriented to the office. "Over here is a station where you can help yourself to water or fruit juice while you wait for your appointment. We also have a selection of magazines in this rack that you are free to read until you are called for your appointment. If you need anything in the meantime, simply come up to the desk; we are here to make you feel welcome."

The new patient smiled as a man passed by him hurriedly heading out the door. The man had misjudged how long his appointment would last, and he was sure his parking meter had run out. To his dismay, the meter reader from the parking authority was walking along the sidewalk near his car. As he ran across the street, he was amazed that there was still time remaining on his meter. "Don't worry," said the homeless man sitting on a bench nearby. "I figured you'd be out soon enough. So I put a few coins in your meter to hold you over."

As you can see from this story, Generosity is expressed in many forms in our lives. How have our lives been affected from someone else's Generosity?

WELCA AT GLORIA DE CRISTO LUTHERAN CHURCH

Happy New Year wishes continue to resonate as WELCA looks forward to a new calendar year with new hope. Gloria de Cristo's WELCA are excited to announce two January, 2021, events. We were not able to meet in November at a Gather potluck as we usually do. For January, a "Gather" Dessert potluck is planned for Tuesday evening, January 19th, at 6 pm in Gloria de Cristo's Fellowship Hall. Our invited speakers are Ross Logan and his wife, who will share their interpretation of the importance of women's roles in the Bible.

The second event for January is a Virtual Gather Bible Study, "Journey With Angels," on January 23rd from 9am to noon. A \$10.00 donation is suggested. To register for the Zoom Bible study online, choose <https://grandcanyonsynodwomen.regfox.com/2021-gather-bible-study-event>

On another topic, the Gloria de Cristo WELCA Board will be installed during a church service in January. When the date is announced, please plan to celebrate with us and please, also mark your calendars for our two January events.

Blessings to you all,

Donna Brown
