

MISSION STATEMENT

Walking with Jesus to bring new life and hope to every person

TO ALL, CALLED BY ALMIGHTY GOD TO FOLLOW JESUS!

The Resurrection of Jesus according to Mark 16

16 When the Sabbath was over, Mary Magdalene and Mary the mother of James and Salome bought spices, so that they might go and anoint him. 2 And very early on the first day of the week, when the sun had risen, they went to the tomb. 3 They had been saying to one another, “Who will roll away the stone for us from the entrance to the tomb?” 4 When they looked up, they saw that the stone, which was very large, had already been rolled back. 5 As they entered the tomb, they saw a young man dressed in a white robe sitting on the right side, and they were alarmed. 6 But he said to them, “Do not be alarmed; you are looking for Jesus of Nazareth, who was crucified. He has been raised; he is not here. Look, there is the place they laid him. 7 But go, tell his disciples and Peter that he is going ahead of you to Galilee; there you will see him, just as he told you.” 8 So they went out and fled from the tomb, for terror and amazement had seized them, and they said nothing to anyone, for they were afraid.

We are now well into the liturgical season of Lent, a season of reflection and confession, when we focus on following Jesus on the way to the cross. As we honestly look at the moral and ethical struggles in our own lives, we know that we find grace and forgiveness at the foot of Jesus’ cross.

We are followers of the Servant King who washes feet and calls us to do the same. But as the commercials in our time tell us, “but wait, there’s more!”

The story does not end with the crucifixion of Jesus but continues with the glorious resurrection of Jesus from the tomb!

Victory over our final enemy, death. That is something to celebrate! And celebrate we do, on Easter Sunday and in the weeks following!

Easter is a time when God reaches out and gets peoples attention. Easter is a wonderful time to extend your personal invitation to family and friends and neighbors...and most will accept your invitation!

Please invite your family, friends, and neighbors to our Easter celebration on Sunday, March 31st...worship at 7 AM and 9:30AM.

See you in worship!

Pastor Bill Timm

FROM THE VICE PRESIDENT

Gloria de Cristo is entering a period of growth and change. The demographics of Yuma is in a state of flux with many new people moving to the area. As these families get settled they will begin to look for a church to fulfill their needs. Gloria de Cristo has always been a welcoming warm church and now is the time to reach out to visitors when you see new faces at worship services. Sometimes just a friendly smile and hello will help someone decide to come back and soon become a part of our church family. As you meet new neighbors invite them to attend any of our worship services and possibly accompany them. I remember when we first started coming to Yuma we met a nice couple who asked if we had a church to attend and we said we weren't sure. An invitation was extended to attend Gloria de Cristo and we have been a member of Gloria de Cristo ever since. Remember a smile, hello and conversation will work wonders.

Vision Team Report

Over the course of the last two years, the twelve people of our vision team have attempted to evaluate our church, along with certain facts, trends, and numbers in order to predict the future needs of this community and how our church should be positioned to serve those needs.

Now, as far as I know, none of us can say for certain exactly what will happen tomorrow, but I believe we have boiled it all down to a pretty good estimation of what we need to do as a church so that the kind of relationship we have with God is shared with every person.

We also believe that keeping the personality of the church and the opportunities to serve that we now enjoy, is very important to our members.

Through the last year, we have accomplished a good deal of what we identified in that process, such as:

- increased Bible study opportunities, and participation,
- we now have more people serving others and in additional ways (but we always need more volunteers),

Vision Team Report (con't.)

- we have reached out to many who had not returned to in-person attendance since Covid and many have now returned to live services.
- the call committee was formed, and has begun the tedious process of finding a replacement for our retiring pastor.
- and who could forget the improvement to our sound and video systems, allowing us to reach even more people through quality live stream and recorded services.

But there is still more to do.

Remember the vision frame that was presented at last year's annual meeting and the areas of the picture we painted? The "Beyond the Horizon" portion, another 3 years down the road, sees us bringing new life and hope to thousands of people annually, by 2027.

Now, the size of this sanctuary limits the number of people who can attend each service. And many people are fond, not only of the traditional style of our services, but also of the size of each service.

There are others among us who would welcome perhaps a larger, more contemporary style service, with a stage, band and 30 minutes, or more of contemporary praise music with video screens, and the works.

"With God, all things are possible"

We are a generous congregation! When a worthwhile project is presented to us...we dig deep. Also, many of us believe in our mission and purpose strongly enough to include Gloria de Cristo in our wills or other estate documents as a recipient of a percentage of our estates.

I hope that many more people after me will benefit as much by joining us as I have from sharing just this short portion of my life with this group of God's people. Please give some thought to the possibilities and to the future of our church.

The future is ours to build!

So, think about bringing new life and hope to our new neighbors. Thank you.

Ted Duffy

OH, and don't forget to invite someone to church.

Hymns are sung theology — theological statements set to music.. Since the earliest times, Christians have sung “psalms and hymns and spiritual songs,” both in private devotions and in corporate worship. Hymns are a particular type of song used in Christian worship, usually sung by the congregation, and explicitly written to adore (or pray to) God. They are lyric poems, reverently and devotionally conceived. They are designed to be sung and express the worshipper’s attitude toward God or God’s purposes in human life. Hymns may be sung *a cappella* or accompanied with instruments, but they should be simple and metrical in form, genuinely emotional, poetic and literary in style, spiritual in quality, and the ideas so direct and so immediately apparent as to unify a congregation while singing.

Children blessed to be allowed to worship in multi-generational congregations carry those hymns with them for the rest of their lives. Just hearing the tunes brings to memory the words, and when those words are based in scripture, it is easy to “Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and **hymns** and spiritual songs, singing with grace in your hearts to the Lord” (Colossians 3:16).

A writer of hymns is known as a hymnodist, and the practice of singing hymns is called *hymnody*. The same word is used for the collection of hymns belonging to a particular denomination or period (e.g. “nineteenth-century Lutheran hymnody” would mean the body of hymns written and/or used by Lutherans in the 19th century.) The scholarly study of hymns, hymnists, and hymnody is hymnology. The music to which a hymn may be sung is a hymn tune. A student of hymnody is called a *hymnologist*.

Some people have asked me about the little numbers at the bottom of the hymn page such as 88.88. This is the hymn meter and indicates the number of syllables for the lines in each stanza of a hymn. This provides a means of marrying the hymn’s text with an appropriate hymn tune for singing. This is why when you ask me if I know ‘such and such’ a hymn or song, I will ask you, “Which one?”

Join me next month, and we will dig a little deeper into the development of hymns and spiritual songs.

YOUTH AND EDUCATION

Cyndi Warner was here at the end of January. AVBS was another success story with an insightful three days of delving into this year's topic: Be-Attitudes. We averaged 28 people per session.

All committees will accept, with open arms, volunteers to share their time and talents.

GLORIOUS QUILTERS

The Ides of March – hmm. Well it's not March 15th yet. Your Glorious Quilters are working, working, working getting quilts ready for the Vets. This project is near and dear to "our" hearts. You can see how fast the first 2 months have flown by. We need to have these ready by April so they can be distributed in May.

Along with these quilts the Ladies are working on the normal baby, children and adults. On an average the Ladies are completing 20+ quilts every Monday. In January 30 quilts were given out. We're so blessed to be able to sew, and have FUN doing so.

You're ALWAYS welcome to visit, have coffee with us at 10. Maybe you'll want to come back. Not all the Ladies sew, some even IRON! Maybe you like to knit, perfect we have yarn you could use to make stocking caps to be given away in the winter.

Feel free to text me about anything or anyone that just needs a hug. Hopefully we can get you hooked up with what you need

FELLOWSHIP

February was a very busy month, with the start of Lent, the dinner theater and the annual yard sale. And the usual monthly events continue, such as the potluck, the weekly chair yoga, quilting, Bible study, and the start of Wednesday night soup suppers and Lenten services.

I know that the Drama presentation was not part of the Fellowship program, but I do know that it was a superb demonstration of fellowship in action. From the director, to the cast who memorized their lines and performed, to the cooks who prepared the dinner, to the many who helped serve the meal, the group of people who cleaned up afterwards, and the many members and friends who attended and enjoyed the performance. Everyone worked together to make this a success, and I have heard many good comments on the event.

The first Sunday of the month potlucks still are very well attended, and I am so happy to see everyone enjoying the food and fellowship of this event.

Planning is progressing for the annual Ladies Inspirational luncheon. It will be on Saturday, March 16 and we will have the Director of the Mission as our speaker. The theme is Caring and Sharing, and we are asking each attendee to bring along a pair of socks (children to adult sizes) and a friend. Tickets will be available before and after church services in early March.

The freezer is getting a little bare, and it is time to ask those of you who have offered to bake cookies to bring some in. There are some walnuts in the freezer which were brought to us by a friend in New Mexico (sister of Jeanette Miller) which are available to use for baking. Feel free to take a bag home to use in your baking.

Another event to put on your calendar is the Easter breakfast, to be held at 8 a.m. Easter morning between the two services. This is another chance to work together for the benefit of our church.

See you in Fellowship.

HEALTH & WELLNESS MINISTRY

The Importance of Sleep for Older Adults

A good night's sleep is essential for successful aging, no matter how old you are. After all, sleep is a time of rest and rejuvenation, when our minds and bodies can recuperate after a long day. We spend about 1/3 of our lives sleeping, and quality sleep is a vital indicator of overall health

and well-being, especially for older adults. According to **The National Sleep Foundation**, people over age 65 should get at least seven-to-eight hours of sleep every night. That's because getting the rest you need can help you stay both physically and mentally well as you age.

5 Sleep Benefits for Seniors

1. A good night's sleep boosts your mood. Sleep and mental health are closely related. In many ways, both impact each other. Not getting enough sleep can lead to mental health issues like depression and anxiety, while mental health conditions can, in turn, lower your sleep quality. A good night's sleep is crucial for your mental well-being.

2. Quality sleep lowers your risk of diseases. Lack of sleep increases your risk of serious health conditions like high blood pressure, cardiovascular disease, diabetes and obesity. Studies show that insufficient sleep puts added stress on the body, leading to inflammation and a weakened immune system. During sleep, our bodies undergo restorative functions like muscle growth, protein synthesis and tissue repair – all of which are needed to keep your immune system strong.

3. Restful sleep maintains your weight and supports metabolism. Getting enough sleep is key to weight maintenance and keeping your metabolism moving at a healthy rate. Sufficient sleep also regulates ghrelin, a hormone that stimulates your appetite. If you're sleep deprived, your metabolism slows down which can lead to weight gain.

4. Good sleep improves concentration and memory. A good night's rest keeps your brain healthy and your memory sharp. It's well known that sleep deprivation has a negative impact on your attention span and short-term memory. Lack of sleep also weakens your decision-making ability and your long-term memory as well. And over time, too little sleep can even contribute to cognitive decline, memory loss and increase your risk for developing dementia.

5. Bedtime is when your brain clears harmful toxins. Contrary to popular belief, our brains don't slow down while we're sleeping. Scientists are learning more about the glymphatic system, which serves as a waste disposal system in our bodies and clears harmful toxins and debris from our brains. The glymphatic system is almost 10 times more active during sleep than it is during wakefulness. One of the most crucial aspects of these new findings for seniors is that one of the toxins being cleared from our brain during sleep is thought to be responsible for Alzheimer's disease. According to Maiken Nedergaard, M.D., D.M.Sc., co-director of the Center for Translational Neuromedicine at the University of Rochester Medical Center (URMC). "Sleep is critical to the function of the brain's waste removal system...These findings also add to the increasingly clear evidence that quality of sleep or sleep deprivation can predict the onset of Alzheimer's and dementia."

SOCIAL CONCERNS

Food bank deliveries for January totaled 138 pounds. We always get surprised and a happy reception when they see all the food we bring each month.

There were no birthdays at Rose Garden Care Home this month but Carol Schock took valentines for the residents to decorate. It brought smiles to everyone. For Easter we plan to fill plastic easter eggs and have the residents fill small Easter baskets to donate to Jessie's Closet for foster children who receive clothing donations from them.

Our trip to Amberly's place is in the works as of this writing and will have more to report in March.

Collection center continues as usual. Thanks for your continued efforts. When I took the glasses to the Vision Center at Walmart for the Lion's Club the clerk was astounded at the number of glasses we donated.

Social Concerns and WELCA are working together to sponsor in April a movie night. The feature film "Sound of Freedom" is a riveting film with a Christian message based on a true story of how one person made a difference in stemming human trafficking. Stay tuned for more information.

The Social Concern's Meeting time has changed to Noon on the first Monday of each month.

Blessings,

1 Peter 4:10 (ESV)

As each received a gift, use it to serve one another, as stewards of God's varied gifts.

PROPERTY

First and foremost, I want to thank Davide Donaldson for a great job of taking care of our church property the past three years. Thankfully, David isn't going to ride off into the sunset; I've asked him to assist me in different areas and he has graciously accepted.

People have asked me why I took on the responsibility of Property Chair. I always tell them, 'I'm asking myself the same question', But like all of you, I love our church and if I can contribute in this capacity, I'm happy to do so. And, I won't be alone; I've recruited a committee of 6 highly qualified people. We will meet once a month to discuss any issues that have come up and how to best resolve them. Plus, I have a list of all the people who indicated a willingness to help with property issues from the Opportunities for Service.

I look forward to working WITH you, not FOR you.

Jerry Randby

We are moving into the season of Lent which mean Easter is coming real soon. That means it won't be long and our seasonal family members will be taking to the road for their summer residence and a sad time for we who remain in Yuma.

We have begun our Wednesday Lenten services along with the soup suppers prior to service. These services are being 'live streamed' so for those of you who are not in Yuma you can still join us online...course you'll have to make your own soup!!

Please Note: If you are on the organ side of the church, when going to the altar for communion the first person goes to the center of the rail and others go to the left. That provides you to be in the right order when returning to your seat. Thank You!

The livestream is working out very well with team members taking charge. Thank You to those who have volunteered for this task.

Until next month, thank you to all who have volunteered to be worship assistants ...you are the one who makes services a happy experience.

In the summer of 2023, we moved to Utah to be near our son. While we searched for a replacement for Gloria de Cristo, we were unable to find that gem. We asked Paster Timm if we could rejoin Gloria de Cristo as remote worshipers in December! We again feel satisfied with our commitment to Gloria de Cristo.

STEWARDSHIP

I hope by now that most of you have had an opportunity to scrutinize the “placemats” that have been added to the tables in Fellowship Hall. They are the result of an idea, negotiations and lots of leg work by Ted Duffy. As you use them, take a few minutes to preview all the opportunities provided by the generous and outstanding people of our church. Feel free to take them with you when you depart and sneak one into the door of your neighbors house, or, perhaps the clubhouse in your RV Park. They will change as supplies dictate; if you would like to change or add something please contact either Ted or me....maybe develop a crossword puzzle about our church or use your artistic talents!!!

Just a little reminder for some of you who may not be aware.... You can simplify your Gloria de Cristo offerings by allowing your personal bank to do it for. You don't have to become deeply involved in technology to get it accomplished: access your bank on your computer, tablet/ipad or telephone (both iPhones and androids)...most banks have a “prompt” for Bill Pay... once you are in bill pay you will be prompted for information...amount of money, frequency, when to withdraw the money, you may be able to add your envelope number, you must add the name of church and address, 11273 E. 40th Street. Yuma, AZ 85367..., sounds simple, if you have an issue, contact me or the church secretary (Char) and we will make every effort to help get you enrolled. Once finished you won't have to write checks.

This is not a “stewardship” issue, merely a commercial for the church in general. I have been asked to arrange the Lenten soup program with the men who regularly attend Pastor Timm’s once a month Saturday Breakfast. Sooo, mark it down, Wednesday, March 20, 4 PM, Fellowship Hall.... a “soup” buffet !!!!!.... 10 - 15 men will each provide a different soup. You try some new stuff or perhaps go with the old favorite favorites. Please come and break bread and maybe even crackers; then attend the last Wednesday service before Holy Week. Please bring a friend the one you have been meaning to ask, or even that grouchy neighbor.

God Bless All of You

WELCA HAPPENINGS

This year, the month of March appears to be just as busy as February. Coming up are a WELCA Planning meeting on March 5th, a Gather potluck dinner and speaker on March 12th, Easter Breakfast on March 31st, plus Lenten services every Wednesday evening. But it's a “positive “ busy praising our Lord with each step.

Typically, our WELCA activities begin winding down for the summer months sometime during the month of April. This year, Lord of Life Lutheran Church in Sun City West, is hosting the annual WELCA Cactus Conference. It's scheduled for Saturday, April 13th, all day. Usually, a sign-up sheet is posted with more details on start time, content and end time. If possible, those attending car-pool which is always a lot of fun. The day is filled with spiritual enrichment including speakers and workshops and ending with all those attending, receiving communion. It's truly an event worth your consideration. Grab a friend, sign up and let's go.

Blessings to you,
