MISSION STATEMENT
'WALKING WITH JESUS TO BRING NEW LIFE AND HOPE TO EVERY PERSON'

From Pastor Dave's Pen

And they went and woke him up, saying, "Lord, save us! We are perishing!"… They were amazed, saying, "What sort of man is this, that even the winds and the sea obey him?" Matthew 8:25,27

Many may recognize this cry from a time when the disciples and Jesus were on the sea. As they were traveling in the boat a windstorm blew up and threatened them and they thought they were going to be swamped by the waves and meet their doom. While the storm is raging we are told Jesus is sleeping.

This kind of thing can happen in all of our lives. Storms and storm-like conditions can and do happen as recent weather events remind us. Sometimes the storms are short lived and at other times they last a lot longer than we think they will, are prepared for, or ready to live after. Often, in the midst of the storm, we are hoping for a quick resolution that will make us feel safe and more secure so we can continue with what we have been about.

Few storms we experience leave us unscathed. There usually seems to be a certain amount of repair, cleanup, or new direction; questions, and in extreme circumstances some grieving or lamenting what has changed. For all of us at Gloria de Cristo this would describe the seemingly never-ending call process, the anticipation as I, your new pastor received, considered, and accepted the call, and as we move into this new chapter of mission and ministry together. As we do so we will discover new details we perhaps never expected or thought about.

Such was also the case for the disciples as they went from calmly crossing the sea to fearing for their lives and then being greatly surprised when Jesus calmed the winds and the sea. It was not just hat Jesus calmed the sea. He left the disciples with more questions than answers. This also touched off a whole new round of concern and maybe even fear as they tried to understand and get a handle on this Jesus they were following.

I am thinking that we may experience something similar as we continue being the hands and feet God empowers, guides, and continues sending into Yuma and beyond with the good news of the gospel for all. When there seem to be more questions than answers, we live into the questions and the ambiguity that may exist as we work together to keep moving forward one step at a time.

Being just shy of one month in your midst as your pastor let me say thank you for your patience, care, help and concern as Rena and I live and learn among you. May God keep blessing the ministry you do in and for this community.

Pastor Dave

CHRIST WITH US IN NOVEMBER

Put On Your Joy
"Come, let us sing for joy to the Lord; let us shout out loud to the Rock of our salvation.
Let us come before Him with thanksgiving and extol Him with music and song." Psalm 95:1-2 (NIV)

The month of November sees the last Sunday in Pentecost (Sunday, November 22) and the Sunday after that, we will celebrate the season of Advent. This is a time of rejoicing, both for past blessings and for the fulfillment of the future promise. It is a season when we can "put on our joy" and rejoice in God our Savior.

Thanksgiving Day is always a time for reflection; to remember the many blessings we have received and to give God thanks that he continues to sustain us. Many of us have seen struggles this year; the cost of living has gone up, we have seen another war begin, there is distrust, division and restlessness. Rapidly changing technology, sickness, personal loss, and natural disasters have challenged us and it feels like there is no end to human suffering. And yet, we can "put on our joy". God has steadfastly walked with us through the year and we are reminded by Paul in Romans 8:37-39 NIV; "In all these things we are more than conquerors through Him who loved us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord". We have been held securely in God's loving hands and it is our greatest joy to give thanks. And note that giving thanks joyfully includes singing his praise, and even to kick up our heels and dance the dance of pure joy for God, the giver of all good gifts. Remember. Give thanks. Put on your joy!

November 29 is the beginning of Advent and we look forward in joy and thanks. Find Joy in the promise of the coming Savior. Find Joy in God's faithful servants, Mary and Joseph. Find Joy in the manger and the newborn King. Of course, we prepare; buy gifts, send cards, decorate, gather together. But give yourself time to be joyful. Stop buying and decorating and sending and cooking and simply find Joy in the fulfillment of God's promise. Walk with Mary to the home of Elizabeth. Spend time with faithful Joseph who quietly and with strength and purpose follows God's plan. Spend time reading the story about a God who not only loves His creation, but leaves His throne in heaven to become one of us. Joy to the World! The mystery, the miracle, the salvation of all people is at hand! The fullness of time has come and certainly, we can do all the traditional Christmas things, but never lose the essence of the season; Joy. So put on your joy!

Heavenly Father, we give you thanks for the many blessings you have bestowed upon us. Keep us mindful that every good gift is from you, neither earned or deserved, but out of your pure love. And lift up my soul and I await your coming. Give me the peace that passes all understanding and pure joy in this season. Amen.

VICARS VOICES

The holidays are upon us! Thanksgiving is just around the corner and Advent begins on the last Sunday of the month. We have so much to be thankful for! We are getting to know Pastor Dave and Rena and we know that the Holy Spirit is working at Gloria de Cristo. We have our Church family (we have each other!) and we minister to one another. We are uplifted by our Bible Studies, by our music program, by hearing the Word faithfully preached regularly. We have faithful team servants who make sure everything runs smoothly in a timely fashion. We have a faithful prayer group and there are programs that allow us to meet and use our gifts and talents to enrich the lives of others. We are reaching out to the community and we are so looking forward to what God is already planning for us. God is good! Praise the Lord!

Our two seminarians, Paula and Suzanne are being kept busy with the work that goes into training for the ministry. Remember them in your prayers. The Vicars will be adapting and discovering how our individual gifts and talents will best compliment Pastor Dave's ministry. Please keep all of us in your prayers.

As we approach Advent, we want to encourage you to take time to slow down and keep Christ-focused as you prepare for Thanksgiving and Christmas. We all get caught up in baking, planning, decorating, entertaining, buying, sending, shopping. It can become overwhelming and sometimes the most important part of the season gets lost in a vacuum of activity. While you plan for all the celebrations, plan a daily time of meditation, study, prayer. Use a Christian Advent calendar or seek out an Advent daily devotion booklet. Remember that first Christmas, when angels sang, shepherds worshipped and the promise became flesh and bone. The entire focus was Jesus and that's what our entire focus should be as well. That is not to say that we need to abandon our "traditional" American holiday practices, but it does mean a shift in what our hearts are treasuring, carefully using the time God has given us to remember his faithfulness, feeding our souls on God's Word and promise because God is good!

We want to remind you that if you know of someone who is hospitalized, or if you are hospitalized, please call the office and let us know. We do make hospital visits. It is our blessing to be able to visit, comfort, and to pray with those who are unwell. And let's break out of those "comfort zones" we so love to embrace and next Sunday try sitting in a different pew other than the "that's MY space" seat and chat with someone you normally don't have an opportunity to greet and meet. The sermon will sound the same, no matter where you are sitting!

Please continue to pray for your Vicars. We ask especially for wisdom, discernment, for patience and for an outpouring of the Holy Spirit. As as always, your Vicars are lifting you in our prayers with great love.

From the desk of Dr. Shirley. . .

Happy Thanksgiving! I have also heard that expressed as "Happy Thanksliving" meaning that we live a life of thankfulness to our God. Let's expand that to a life of worship of God. Today's thoughts are taken from a little book, Worship: Touching the heart of God by Selwyn Hughes and Philip Greenslade (2004).

A.W. Tozer, writing in the early part of the last century, said, "Worship is the missing jewel of the evangelical church." In some ways, things have changed since Tozer wrote those striking words; for over the past decades the Holy Spirit has been renewing His Church in a wonderful way and bringing Christians of all denominations to a new understanding of the meaning of worship. However, there is still much to learn if we are to discover the depths of this vitally important subject.

Recorded in Revelation 5, the apostle John catches a glimpse of the worship being offered in heaven—the kind of worship, I suggest, that should be offered on earth. When we cry from the depth of our beings and with the utmost sincerity, "Worthy is the Lamb", then we come near to the heart of worship. Worship is to ascribe "worth" to what we value the most, and no one is more worthy of our adoration and praise than the one Creator God Himself. The more we contemplate the majesty of God, the more we are drawn to Him. When we are moved by a magnificent sunset or by a field of beautiful flowers, our natural response is to gasp, "Oh, how beautiful!" How much greater, then, should be our response when we consider who God is and what He does.

In his letter to the Romans, Paul pours out his feelings after reflecting on the riches of God's grace. For a moment, he pauses in worship; then he exclaims, "Oh, the depth of the riches of the wisdom and knowledge of God!" (Romans 11:33). Amazement and wonder are always the natural response to the contemplation of God's mercy and grace.

Thank you, God, for the privilege of worshipping your holy self! May my heart be continually tuned away from myself and toward your worth and your praise. Amen

EDUCATION

We are glad to have some of the winter visitors back. We are ready for them.

The New Testament Bible Study began on November 2 @ 1 pm. Jim & Sherri Wehrer are leading that study.

Tuesday's 'Coffee With Jesus' sessions at 9 am are increasing weekly and Prayer Fellowship on Thursday's at 10 am is also seeing more in attendance.

Everyone is welcome to any of these sessions….Just come!!

God bless,
Lynette, Education Chair

FELLOWSHIP

Our weather is beautiful, (minus the wind), our friends are returning, and we have a Pastor!! God just keeps on giving us gifts, and we thank him!

We enjoyed an awesome brunch (reception) after Pastor David's installation, with many guests from the Phoenix area, and had a great turnout for this important event in the life of Gloria de Cristo! Thank you to all the ladies and men who worked to make this a success! Our cooks did a fantastic job! We had a super team, and they are appreciated.

Our Fellowship time together on Sundays is thriving, we're enjoying the movies, bingo, and our special time together after worship!

God is so good to us, and we are truly blessed!

Mona, Fellowship Chair

GLORIOUS QUILTERS

November a time to be thankful and grateful for all we have.

More and more of our wonderful ladies are coming back to their winter home, we've missed them.

Once again our "Angels" have come to our rescue bringing 10 rolls of batting. NO delivery fees or taxes involved!!! Besides that we were blessed with Christmas stockings and baby bibs, to finish and distribute.

As the weather is cooling down, we are even more dedicated to sewing quilts, finishing fleece blankets and now making said Christmas stockings.
November is the month we are able to pack up quilts for the Foster Children and this year also for New Life Pregnancy.

I'm sure you've become tired of me say "please feel free to join us. We really do have things for non-sewers to do. We still need stocking caps, adult size.
Coffee and treats at 10. Join us, you may find we're a great fit and a lot of fun!
Give me a call via text 503-338-9358, or just stop in to see what the Ladies are up to.

OUTREACH

Here it is November, the weather is cooling down, YES!!!

As you read this our Trunk or Treat will have already taken place. I'm writing this even before it happens so I can't give you any results. I'm confident that all went well, we've made some positive changes to the event. I'll get some kind of report put into the bulletin.

Not only are we working with the Freedom 400, which by the time you get this will be over as well.

Up next Outreach is working with Social Concerns. We are again sponsoring the Baptist Church Foster program and this year adding New Life Pregnancy center. By November you'll see the big box for toys for these foster children also a tree with stars attached with "Boy or Girl and age level". Remember by December 1st these toys will be picked up. Also, they need TOYS, so there's no problem with sizing.

I haven't got a date set yet for our frontage road clean up, watch your bulletin for a time.

Also, keep in mind the "Welcome Back Bash" to be held the first part of Dec. If you'd like to help and represent Gloria de Cristo as a welcoming church give ahold of me.

Please don't forget to save your unwanted blankets for a blanket drive the first part of December. Used or new blankets, all sizes. The weather is starting to get cold so these would be nice to give out during that month and December.

Text me and then get involved, we can all make Gloria de Cristo Lutheran Church known and seen as a Welcoming place to be.

Carol Schock, Chair 503-338-9358

PROPERTY

We had some plumbing issues this past month in the Fellowship Hall. The water heater in the janitors closet sprung a leak and sprayed water all over the ceiling and light fixtures. I just happen to be in the hall and heard water gushing. I was able to shut the input valve off in time and saved a disaster from water damage. I had the plumber come and make the necessary repairs. We also had a water leak in the kitchen water heater. The main input line was leaking water over the top of the water heater and shorted out the electricity and this kicked the breaker. I noticed that we didn't have any hot water in the kitchen. I went to investigate and found the leaking waterline. I was able to shut the water off before it did any damage and save disaster again.

New rock has been installed and I have received several positive comments about how nice it looks. I have a few plants in the courtyard that needed to be replaced due to lack of water from the irrigation problems.

Blowing sand has been a problem once again. The parking lot needs to be cleaned. I will have that done in the near future. I had new grab bars installed in the stalls of every restroom. Thanks to Keith Whitmore for installing those.

Social Concerns

The committee met this month and are preparing for Angel Tree gifts for foster children in November and Good Gifts for ELCA Lutheran World Relief in December.

We only collected 38 lbs. of food for the Yuma Food Pantry in October. There were many boxes of cereal which are light in weight.

Blessing,

STEPHEN MINISTRY

Training is important whenever anyone learns a new skill, and that includes Stephen Ministry. Stephen Ministers go through in-depth training so that by the time they start their official ministry, they're completely ready. A new Stephen Minister training class is beginning on November 6th at 1:00 PM in the Fellowship Hall Classroom—to find out more, contact Niki Duffy, Michelle Cegon, Jim Wehr er or Sherri today

INVITE:

All Stephen Ministers are encouraged to attend a Stephen Ministry retreat/luncheon on Thursday, November 19th from 11-1 at Izzie's Diner on Foothills Blvd. It's an opportunity to share fellowship and discuss our 2026-2027 schedule. We will also be having a very brief continuing education discussion around chapter 1 of the book, Don't Sing Songs to a Heavy Heart. If you don't have a copy of this book, let us know. We hope to see all Stephen Ministers there!

STEWARDSHIP

While searching the internet and a few books to prepare an article for the Evangel, I came across an email I received a while back from a Lutheran Church in southern Wisconsin. Since we are just weeks from Thanksgiving, I thought it would work for the Evangel. So here goes...

"The people went to...send portions to others & celebrate with great joy" (Nehemiah 8:12) The Thanksgiving holiday will soon be upon us. The above line/verse describes very well what we will be doing on Thanksgiving. The entire verse reads: " All the people went to eat and drink and to send portions to others and to celebrate with great joy." Certainly, on Thanksgiving most Americans will eat much and drink all manner of tasty drinks. (and God grant: not at all to excess). We will share freely with others and celebrate Thanksgiving with great joy. Additionally, in recent years it has become customary within communities to collect and provide extra food for the poor and needy. Further, I believe that most Americans do have a rather fair sense that there is a God who has been awfully good to most of us, though many often only remember that belief in time of dire need. As Christians we have a natural need to demonstrate our gratitude in many ways.

In reading Nehemiah you learn that the folks in his time had a better reason to celebrate; their true God had just restored them from exile to the land He had promised them. Arrangements had just been made for them to hear the Hebrew Word of the Lord in their native language. So they celebrated with delight!!

So, let's celebrate Thanksgiving with gusto. Many of us wear t-shirts that proclaim our passion and belief in Generosity. We should all be open-handed in our generosity. Isn't it necessary for us as Christians to share generously with others; what we know and affirm, that "God Is Good All the Time". Be generous...proclaim and share your love of God and your Church. You may also elect to be generous and help some of those in need and down on their luck. Then celebrate Thanksgiving with gusto.

Gary Raasch, Stewardship

WELCA

It's good to see so many of our Winter visitors. You were all truly missed.

The Grand Canyon women of the El CA retreat is being held on Saturday, November 14th at Love of Christ in Mesa. I'm disappointed that we didn't have more ladies sign up. Perhaps next time.

Movie night will be suspended for November and December and will resume January 2027.

I have suggested to WELCA board that we start a class on women in the Bible. Nothing is written in stone. I will keep you posted.

Days for girls continues on the 2nd and 4th Saturday of the month. Please consider stopping by. You don't have to know how to sew. There's plenty to keep you busy.

This is the day that the Lord has made; let us be glad and rejoice in it. Psalm 118.24.

Your sister in Christ
Sandra Arceneaux, WELCA Convener

WORSHIP/MUSIC

As we proceed into the busy season of the church year, we welcome Pastor Dave who will shepherd Gloria de Cristo from this point forward.

On October 17th we began the Saturday worship at 4 pm and on Sunday, November 1 we will change our Sunday services to 8:30 and 10:15 am with fellowship after each service on Sunday.

Sunday, November 29th we will celebrate the beginning of Advent and the Worship Committee will change the Sanctuary from green to Advent blue.

If you have a favorite hymn or one that you would like to sing during our weekend worship services, please make note of that on your 'green' slip or send an email with the title to gloriadecristo@outlook.com and we will try to add that into our service.

This is an exciting time of the year when the rest of our church family returns from wherever they went during the summer months. Remember to wear your name badge to worship so our new pastor can connect your name with your face.

Looking forward to seeing all God's children in worship,

Char Schomisch, Co-Chair
Joanne Ausing, Co-Chair

YARD SALE INFORMATION

We are asking for volunteers to help with the drop-off sessions, which will be on the third Saturday of the month from 8-10am. Many hands make light work, so come on out and lend a hand, and be there by 7:30 if you are volunteering.

We appreciate all donations, but please keep in mind a few things when boxing up your items. We cannot accept mattresses. We do not sell the following items: shoes/boots, socks, undergarments. These should be donated directly to your favorite organization that takes these items, such as Crossroads Mission. Any items that are broken, missing parts, or if electronics, cannot be tested cannot be accepted. We are no longer accepting printers or televisions. These can be directly donated to Achieve.

Pre-sorting your donations can be very helpful. We sort items into boxes by type of items.

- Clothing – it's helpful to have separate boxes/bags for women's, men's, and children's clothing
- Glassware – please wrap glassware if possible, and mark the box as fragile/glass
- Kitchen items – any non-glass kitchen items such as bowls, glasses, cookware, silverware, etc.
- Books
- Games/puzzles
- Crafts - yarn, fabrics, craft supplies, etc.
- Tools
- Electronics – any item that has an on/off switch and plugs in will need to be tested prior to sale
- Miscellaneous non-breakable items
- Purses/belts/hats
- Christmas items

If you have larger items you need picked up, please contact the church office and they will contact the Yard Sale committee to coordinate a convenient date/time.

Upcoming drop-off dates:
November 21, December 19, January 16.
The 2027 Yard Sale will be Fri/Sat, Feb. 26-27.

BUILDING PROJECT SURVEY RESULTS (compiled by Gary Raasch)

Preparing the survey was easier than compiling and interpreting your responses!! Ugh..!! This is a concise summary of the results. Because you probably no longer have the original survey for reference, each statement is included here to help you understanad what was asked and subsequently analyzed.

A total of 92 surveys were returned. Fourteen were not included in these results because they were incomplete or could not be reliably counted --- example, some respondents selected multiple answers for a question/statement, provided just a few responses or simply did not sign the survey. The number of responses varies with each statement.

In the first section respondents were asked to select "strongly agree", "agree","strongly disagree", "disagree" or "unsure". For clarity, the results below only reflect a combination of the agreements and the disagreements.

	Statement	Disagree	Agree	# of Responses
1	...facility supports mission into future	16%	53%	76
2	...additional space will serve future needs	8%	75%	76
3	...rooms needed for Bible study and youth prog	12%	73%	75
4	...improvements will sttrengthen community service	12%	71%	75
5	...upgraded kitchen will enhance outreach program	10%	80%	71
6	...facility should help seniors and others in need	16%	70%	69
7	...renovated facility will increase outreach	13%	65%	68
8	...accomodate future expansion as needed	16%	66%	70
9	...support further exploration and planning	14%	74%	76
10	..benefit outweighs cost and challenges	20%	61%	72

PART TWO: PRIORITIES

The second part of the survey asked you to rank the listed items in your personal thoughts of their importance with 1 representing the highest priority. The list below is the overall prioritization indicated by your responses.

1. Flexible multi-purpose space
2. Additional worship space
3. Expanded and updated kitchen
4. Community Outreach
5. Minister Vicar workspace (tied with #4)
6. Sunday schooland youth ministry
7. More and larger Bible study space

PART THREE: PERSONAL COMMENTS

Even if I could, I'm not real sure it would serve a useful purpose to list all of the personal comments individually. Not surprisingly, the majorty of the surveys contained at least two or three responses to the four questions asked. I will attempt to summarize the four questions in the context of negative, positive and neutral comments.

These questions were asked for comments:

1. What improvements would most benefit our Gloria de Cristo congregation?
2. What concerns do you have regarding a possible building project?
3. How would a larger improved facility better support our mission with the community?
4. Which, if any, of our ministries are constrained by our existing facility

Summary:

I'll try what I consider to be the negative side first. Several comments spoke to a single concern of the "terrible condition" of the parking lot which continues to worsen. Many suggested that before a building project is started we should attempt to get more new members. A few suggested that the overall condition of the property should be maintained "better" before we embark on something new. Another "few" spoke to the rising trend that ELCA may not be around in 10-15 years. Some suggested that scheduling activities should be better coordinated and church activities should always be considered first. Others merely vented individual experiences .....

On the positive side these comments were proffered. Suggestions that we could begin a "praise" service. Others suggested a Spainish language service. A large portion suggested more congregational dinners. Many gave ideas and thoughts for increased bible study. For the most part, the bulk of written comments were favorable in suggesting various ways in which to minister within our Foothills community.

The neutral.....almost every survey was concerned about the cost and other challenges that may be faced. Again, equally neutral as negative, better sheduling for activities and better property maintenance. A few responders strongly suggested that minimal work for building/renovation be completed by contractors and much of the finishing be done by our members and friends, Interesting

Just Observations:

Several results show meaningful support for the continued consideration of facility need. The highest agreement was for ugrading and updating the kitchen (80%). While 75% supported the idea that additional space could better serve today's needs as well as the future, 74% supported further exploration and planning.

Not overly surprising, at the same time, 20% disagreed that "benefits outweigh costs and other challenges". I'm sure these results are better understood by much smarter people than me.

Important Reminder:

The following paragraph was in the letter sent with your survey. Please remember these comments.

Your participation is essential!!! (Thank you very much) Information gathered will provided a clearer understanding of how our facility is serving today's ministry as well as the challenges and/or opportunities that may exist in the future. Any recommendations will be shared openly with the congregation. **No type of building project will move forward without the prayerful consideration and approval of the congregation as required by the rules of the church.**

The exploration of a Building Project and/or Renovations is a committment of the Vision Team's "long term Horizon Vision -- beyond 5 years" and implemented and endorsed by the church council.
